Dear Sir

**RE: ENDORSEMENT OF INTEGRATED WASTE MANAGEMENT PLAN 2020- 2025  
(IWMP) FOR MKHAMBATHINI LOCAL MUNICIPALITY.**

The KwaZulu-Natal Department of Economic Development, Tourism and Environmental Affairs hereby acknowledges receipt of the Mkhambathini Integrated Waste Management Plan (IWMP) dated September 2020.

I, **Mr SA Duma, MPL**, in my capacity as the MEC for the Department of Economic Development, Tourism and Environmental Affairs, hereby **endorse** the Council adopted IWMP of the Mkhambathini Local Municipality in terms of Section 11(4)(b) of the National Environmental Management: Waste Act 59 of 2008 (NEM: WA 2008).

The following factors were considered:

- The process followed in compiling the IWMP has adhered to the best practice guidelines and relevant international agreements relating to waste management.

- The alignment of the IWMP with the NEM: WA 59 of 2008 and the National Waste Management Strategy.
- Adoption by Council dated 29 September 2020.

The municipality is henceforth encouraged to ensure that the IWMP is integrated into the Integrated Development Plan (IDP) as per Chapter 5 of the Municipal Systems Act 32 of 2000 and the Post-COVID 19 Economic Recovery Plan (ERP) of the municipality (post COVID 19, KZN 2021 unrests and KZN 2022 April/May floods if applicable).

I therefore wish to congratulate Mkhambathini Local Municipality for the successful initiation, completing and adoption of the IWMP.

Should you have any queries do not hesitate to contact the Office of the MEC.

Yours sincerely

**MR S. DUMA, MPL**
