 - 6.1.1 the standards and procedures for evaluating the Manager: Technical Services performance; and
 - 6.1.2 the intervals for the evaluation of the Manager: Technical Services performance.
- Despite the establishment of agreed intervals for evaluation, the Mkhambathini Municipality may in addition review the Manager: Technical Services performance at any stage while the contract of employment remains in force.
- Personal growth and development needs identified during any performance review discussion must be documented in a Personal Development Plan as well as the actions agreed to and implementation must take place within set time frames.
- The Manager: Technical Services performance will be measured in terms of contributions to the goals and strategies set out in the Mkhambathini Municipality's
- The annual performance appraisal will involve: 6.5
 - 6.5.1 Assessment of the achievement of results as outlined in the performance plan:
 - Each KPA should be assessed according to the extent to which the (a) specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
 - An indicative rating on the five-point scale should be provided for each (b) KPA.
 - The applicable assessment rating calculator (refer to paragraph 6.5.3 (c) below) must then be used to add the scores and calculate a final KPA

6.5.2 Assessment of the CCRs

- Each CCR should be assessed according to the extent to which the (a) specified standards have been met.
- An indicative rating on the five-point scale should be provided for each (b) CCR.
- This rating should be multiplied by the weighting given to each CCR during (c) the contracting process, to provide a score.
- The applicable assessment rating calculator (refer to paragraph 6.5.1) (d) must then be used to add the scores and calculate a final CCR score.

6.5.3 Overall rating

An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisal.

7 | Performance Agreement: Manager: Technical Services

DA MIE.

The assessment of the performance of the **Manager : Technical Services** will be based on the following rating scale for KPA's and CCRs:

Level	Terminology	Description	Rating
5	Outstanding performance	Performance far exceeds the standard expected of the Chief Financial Officer at this level. The appraisal indicates that the Manager: Technical Services has achieved above fully effective results against all performance criteria and indicators as specified in the PA and Performance plan and maintained this in all areas of responsibility throughout the year.	
4	Performance significantly above expectations	Performance is significantly higher than the standard expected in the job. The appraisal indicates that the Manager: Technical Services has achieved above fully effective results against more than half of the performance criteria and indicators and fully achieved all others throughout the year.	
3	Fully effective	Performance fully meets the standards expected in all areas of the job. The appraisal indicates that the Manager: Technical Services has fully achieved effective results against all significant performance criteria and indicators as specified in the PA and Performance Plan.	
2	Not fully effective	Performance is below the standard required for the job in key areas. Performance meets some of the standards expected for the job. The review/assessment indicates that the Manager: Technical Services has achieved below fully effective results against more than half the key performance criteria and indicators as specified in the PA and Performance Plan.	
1		Performance does not meet the standard expected for the job. The review/assessment indicates that the Manager: Technical Services has achieved below fully effective results against almost all of the performance criteria and indicators as specified in the PA and Performance Plan. The Manager: Technical Services has failed to demonstrate the commitment or ability to bring performance up to the level expected in the job despite management efforts to encourage improvement.
